

Comprehensive Teaching Support

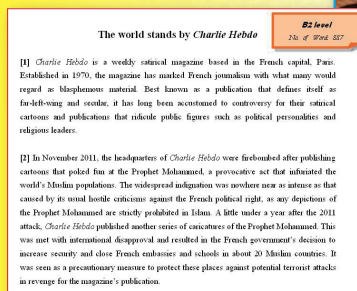

e-Book

Audio recording of the reading texts are provided, with some being read by the writer himself. The e-book also allows teachers to check answers in class.

Weekly News Archive

Current news topics are presented as reading passages, following by HKDSE Exam-style comprehension questions and answer key. Vocabulary exercises and writing tasks are provided with selected passages.

Interactive Teaching PowerPoint

PowerPoint with multimedia materials is included to stimulate learning interests and enrich student's knowledge of a given topic. Supporting materials include songs, videos, and other culture-related materials

Grammar Worksheets

Essential grammar items are reviewed. Exercises are given in context to enhance students' mastery of grammar.

Supplementary Reading Worksheets

Additional worksheets are provided to further stretch students' abilities. These include reading texts on another theme and of another text type.

Suggested Answers for Writing (with text type analysis)

Model answers of all writing tasks in the book are provided. Each completed with a text type analysis.
