

***Suggested conversion table for Mock Test 1***

| Part B1 | Part B2 |
|---------|---------|
| 0       | 0       |
| 1       | 0       |
| 2       | 0       |
| 3       | 0       |
| 4       | 1       |
| 5       | 2       |
| 6       | 2       |
| 7       | 3       |
| 8       | 4       |
| 9       | 5       |
| 10      | 5       |
| 11      | 5       |
| 12      | 5       |
| 13      | 6       |
| 14      | 6       |
| 15      | 6       |
| 16      | 6       |
| 17      | 6       |
| 18      | 6       |
| 19      | 6       |
| 20      | 7       |
| 21      | 7       |

| Part B1 (cont'd) | Part B2 (cont'd) |
|------------------|------------------|
| 22               | 7                |
| 23               | 7                |
| 24               | 8                |
| 25               | 10               |
| 26               | 11               |
| 27               | 13               |
| 28               | 14               |
| 29               | 16               |
| 30               | 17               |
| 31               | 19               |
| 32               | 20               |
| 33               | 22               |
| 34               | 23               |
| 35               | 25               |
| 36               | 26               |
| 37               | 28               |
| 38               | 29               |
| 39               | 30               |
| 40               | 32               |
| 41               | 35               |
| 42               | 37               |
| 43               | 39               |

***Calculating a final mark***

$$\left( \frac{\text{Part A mark}}{38} + \frac{\text{Part B2 mark or converted Part B1 mark}}{46} \right) \times 0.5 \times 100\%$$

***Suggestions for grading***

| Level        | Part A + Part B1 | Part A + Part B2 |
|--------------|------------------|------------------|
| 5            | —                | 73–84            |
| 4            | 66–81            | 57–72            |
| 3            | 40–65            | 24–56            |
| 2            | 16–39            | 8–23             |
| 1            | 8–15             | 4–7              |
| Unclassified | 0–7              | 0–3              |
